Dear Members of the Executive Board,

in relation to the appointment as auditor of the Foundation and with reference to the Financial Statements of the year ended as at December 31, 2017, the following is stated:

1) checks deemed necessary with regard to the proper keeping of accounts were carried out;

2) information on the activities carried out, the general performance of the business and its prospects as well as on the most significant transactions in terms of size and characteristics was obtained by the management of the Foundation; I can reasonably say that the collection and use of funds by the International Foundation Good Shepherd ONLUS comply with the law and the by-laws and were not manifestly imprudent, and in potential conflicts of interest or in contrast with the resolutions approved by the Founders’ Meeting;

3) finally, I ascertained that the requirements, procedural and substantive, established by art. 10 of Legislative Decree no. 4 December 1997, n. 460 for the Non-Profit Organizations of Social Utility (NPO) are met.

With specific reference to the activities mentioned above, I therefore consider appropriate to highlight the legitimacy of the operations carried out by the International Foundation Good Shepherd ONLUS during the year ended as at 31 December 2017.

With reference to the documentation that constitutes the Financial Statements for the year 2016, the information deemed necessary about the composition of the annual accounts and about the nature of some of the most significant accounting items relating to the year 2017 were acquired.

The audit procedure includes the examination, on a random test basis, of the evidence supporting the amounts and disclosures in the financial statements, as well as evaluating the appropriateness of accounting policies used and the reasonableness of the estimates. I believe that the audit provides a reasonable basis for the expression of my opinion as it has been conducted in accordance with the established audit principles. In accordance with such principles, the audit was
performed in order to obtain the necessary assurance about whether or not the financial statements are free of material misstatement and whether or not, taken as a whole, are reliable.

The responsibility for preparing the financial statements lies with the Executive Board of the International Foundation Good Shepherd NPO.

The draft financial statements at 31 December 2017 has been reviewed and verified as far as the general approach to the same, the overall compliance with the law as regards its formation and structure and, in this regard, I have no particular comments to be reported.

The annual figures for the year have been prepared in a scalar form adapting the schemes to the reporting patterns proposed and recommended by the Commission ANP of the CNDCEC the internal needs of data exposure.

In summary of the Balance Sheet presents:
